## COMMUNITY ENGAGEMENT

In Newberg, engagement is a part of who we are. We give our time, talents and treasures to strengthen the community. We blend service into our jobs, help each other, and pride ourselves in donating and shopping locally. Our authentic relationships serve as a strong foundation for a supportive community.

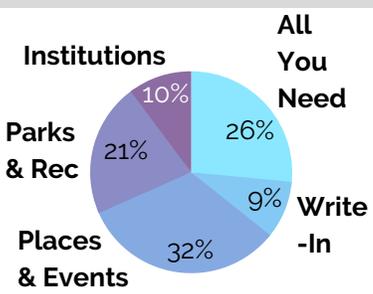

## COMMUNITY IDENTITY

Newberg prides itself on its small-town charm, family-oriented community and rich history. Residents welcome and mentor each other to build relationships to support all aspects of life. We are a safe, welcoming community with many resources that encourage opportunity. What makes us unique is that we're close to the best Oregon has to offer.

## COMMUNITY LEADERSHIP

Our leaders come from diverse groups and sectors throughout the city and its surrounding region. They foster creative, two-way communications and collaborate to meet everyone's needs.

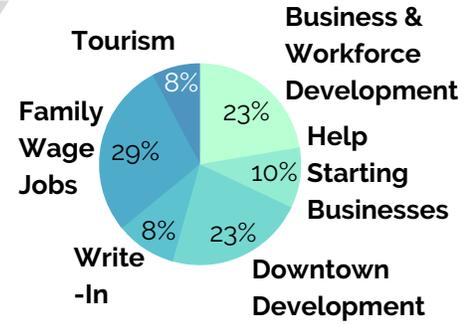

## CULTURAL ASSETS

Newberg residents take pride in all that our community offers. As a cultural hub, there is a range of accessible artistic events and recreational activities as well as many local shops and restaurants you can wander into with friends.

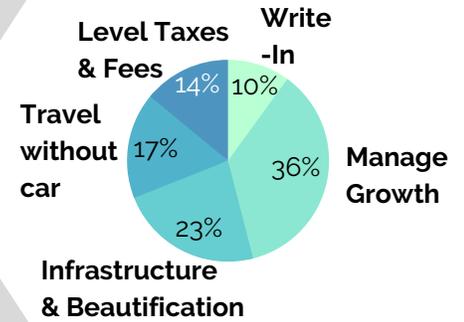

## ECONOMIC DEVELOPMENT

Newberg's economy thrives by leveraging our geographic amenities and the capabilities of local business and organizations. We create family wage jobs through a strong business and workforce development program. We have retained and attracted businesses to Newberg and developed a vibrant downtown.

## LIVABILITY & DEVELOPMENT

Newberg is a well-planned community where the built environment blends seamlessly into the surrounding, natural landscapes. Our small-town character, accessibility and affordability create a sense of belonging where families and individuals love to live, work and play.
